

WELCOME TO IN MY OWN KITCHEN

Create memorable hands-on cooking experiences for primary-aged children with fun, creative workshops designed for OSHC programs and holiday care

Created by a professional chef and experienced educator, our workshops encourage children to explore new flavours, get creative with food and build confidence through making something themselves

From cultural food experiences to simple kitchen creations, children are supported to participate, experiment and enjoy the excitement of creating with food

Workshops are inclusive, adaptable and designed to suit different ages, group sizes and dietary needs.
