## In My Own Kitchen Junior – Kids cooking classes

As a professional chef for over 18 years and a food lover for many more, my aim is to create a fun and inviting space for children to learn the wonders of cooking in a relaxed and fun environment.

These classes are designed to be all inclusive at \$60 per child for about an hour to an hour and half class – for young children (under 8) a separate quote can be arranged.

If your budding chef would like to explore more complex recipes, the price will be \$45 per child for a 1 hour class plus ingredients – ingredients can be arranged by you from a provided shopping list. If you have three or more children please enquire for group price.

Combinations from below can be formed to create the \$60 per child class – two items will be made in these classes either from the same style or a mix of one from each

- Baking: Banana pancakes, simple cupcakes, basic chocolate/banana/vanilla cake
- Pasta: Fettucine, butterfly, pappardelle and one simple sauce
- Mexican: Burritos, nachos, quesadilla
- Biscuits: jam drops, chocolate chip cookies, anzac cookies
- Fruit: Fruit salad, fruit crumbles, baked fruit
- Snack balls: Date and coconut, apricot, chocolate, carrot and coconut
- Meatballs and burgers: chicken, beef and lamb
- Pizza and calzone: home made dough and sauce with toppings

For bookings and further information please contact me on 0423 450 363 or [inmyownkitchen@gmail.com](mailto:inmyownkitchen@gmail.com)

Classes are available on Saturdays with limited midweek bookings available on school holidays. Travel surcharges may apply to areas outside a 30 min travel time from Brisbane Northside (Everton Park).

Classes on a Sunday or Public holiday will be charge at \$70 for the hour package.

Whilst allergens can be catered for, please note In My Own Kitchen does not operate out of an allergen free premises, thus some traces of nuts, gluten, dairy and other allergens may be present on utensils.

Whilst recipes can be adjusted to suit, In My Own Kitchen accepts no responsibility for allergies in participants and any resulting issues from provided equipment.
